Madam/Sir,

Subject: Restoration of service specific accounting codes for payment of service tax - regarding.

Negative List based comprehensive approach to taxation of services came into effect from the first day of July, 2012. Accounting code for the purpose of payment of service tax under the Negative List approach ["All Taxable Services" – 00441089] was prescribed vide Circular 161/12/2012 dated 6th July, 2012.

2. Subsequent to the issuance of the Circular, suggestions were received from the field formations that the service specific old accounting codes should be restored, for the purpose of statistical analysis; also it was suggested that list of descriptions of services should be provided to the taxpayers for obtaining registration. These suggestions were examined and a decision has been taken to restore the service specific accounting codes. Accordingly, a list of 120 descriptions of services for the purpose of registration and accounting codes corresponding to each description of service for payment of tax is provided in the annexure to this Circular.

3. Descriptions of taxable services given in the annexure are solely for the purpose of statistical analysis. On the advice of the office of the C & AG, a specific sub-head has been created for payment of "penalty" under various descriptions of services. Henceforth, the sub-head "other receipts" is meant only for payment of interest payable on delayed payment of service tax. Accounting Codes under the sub-head "deduct refunds" is not to be used by the taxpayers, as it is meant for use by the field formations while allowing refund of tax.

4. Registrations obtained under the positive list approach continue to be valid. New taxpayers can obtain registrations by selecting the relevant description/s from among the list of 120 descriptions of services given in the Annexure. Where registrations have been obtained under the description 'All Taxable Services', the taxpayer should file amendment application online in ACES and opt for relevant description/s from the list of 120 descriptions of services given in the Annexure. If any applications for amendment of ST-1 are pending with field formations, seeking the description 'all taxable services', such amendment may not be necessary and the officers in the field formations may provide necessary guidance to the taxpayers in this regard. Directorate General of Systems will be making necessary arrangements for display of the list of 120 descriptions of services and their corresponding Accounting Codes in Form ST-1 and Form ST-2 as may be necessary.

5. Officers in the field formations are instructed to extend necessary guidance to the tax payers regarding the selection of appropriate description of taxable service and facilitate the payment of service tax/cess due under the appropriate accounting code. Trade Notice/Public Notice may be issued to the field formations and tax payers. Please acknowledge receipt of this Circular. Hindi version follows.
